He joined the club in 2023 with no lifesaving behind him. Since then he has won the KZN Victor Ludorum twice, made the national OPEX Squad and earned a place in his club's junior team for the World Championships. He swims for his school's first team on a scholarship and trains seven days a week.

IN THE WATER EVERY DAY.

Daniel builds all his racing on swimming. Your kit would go into the pool and the sea with him seven days a week, and onto the start line at his races.

- Aces Swimming Club, registered with SA Swimming
- Won the 2026 World Ocean Day Swim: first of 70 over 1.6 km in the sea, in 17:55
- Unbeaten in every Dolphin Mile he swam in 2026 · Midmar Mile 21:22
- Surf Swim winner at KZN Series 2 and 3 in 2026, against junior, senior and masters fields

RACING CRAFT THAT GETS SEEN.

On a lifesaving beach, skis and boards carry the biggest logos. Daniel races both at his surf events.

- KZN Ironman champion 2024, 2025 and 2026: swim, board and ski legs in one race
- Entered in the ski and malibu board races at the Lifesaving World Championships, Dec 2026
- Races the Marine Summer Ski Series on top of the lifesaving calendar
- PROFarazzi Media photographs his training and race days

FUEL FOR A SEVEN-DAY WEEK.

- Multi-day championships: KZN Championships, SA Championships, World Championships
- Pool lifesaving: two High Performance qualifying times at the 2026 SA Championships
- Top 30 academically in Grade 11, on top of his training

OCEAN LIFE, ON AND OFF THE BEACH.

Daniel spends his mornings, afternoons and weekends on Durban's beachfront, and your brand would go with him.
